

A SIMPLIFIED AND SECURE IT EXPERIENCE FOR THE U.S. ARMY. WHY? BECAUSE ITS MISSION DEPENDS ON IT.

As one of eight companies to be a recipient of the ADMC-3 contract, Sterling is honored to have the opportunity to assist the Army with the procurement of its off-the-shelf IT needs.

With this honor, Sterling will utilize all of our services, capabilities, experience, and secure supply chain to provide a simplified IT experience so that the Army can rest assured its IT needs are in good hands.

WHY CHOOSE STERLING

Sterling is an award-winning technology solutions provider with over two decades of helping customers solve the most complex requirements of their IT environments.

In addition to being able to provide the Army with a simplified IT experience by being its single point of contact for any procurement need, Sterling is capable of providing additional value-added offerings to further simplify the IT experience through our Core Competencies and Client Services:
